

“THE POWER OF ONE”
CHAMPIONS/KY-ASAP JOINT CONFERENCE 2006
LIFETIME ACHIEVEMENT AWARD

The Award

The Kentucky Office of Drug Control Policy is providing a special recognition opportunity for professionals in the field of substance abuse prevention, early intervention or treatment. This award is for years of outstanding service given through education, collaboration and leadership to communities to reduce alcohol, tobacco and/or other drug problems across a region or the Commonwealth.

Eligible candidates are individuals who have been active in the prevention/early intervention or treatment field for the past five years or longer. We encourage nominators to seriously consider those professionals who devote time working directly with community members and leaders.

Nominations

Nominations will be accepted from those individuals who work in the area of substance abuse prevention, treatment or law enforcement in the Commonwealth.

Please use the outline below and limit your nomination to three pages:

Please provide necessary data and supporting documents so we may make the best possible selection for this special award. *(Feel free to use extra paper if necessary).*
